

Dear Parents,

The Surge Jr. Youth program and leadership team, want to congratulate and thank you for the registration of your child(ren) in this year's FOCUS VBS 2020. We are excited to partner with you in creating a fun-filled Virtual VBS experience for your child(ren).

We are thrilled to inform you about the amazing plans we have developed for your Jr. High student. This year's FOCUS VBS 2020 will be a once a week, 4-week program that will engage, excite and spiritually grow your child(ren). The activities, games, and Bible lessons are specifically designed and tailored for Pre-teens. The FOCUS VBS 2020 content will be age-appropriate for students going into Grade 5-7 in September.

#### **New Information: Grade 5 Students**

In the past years, Grade 5 students have been included with the Elementary VBS programs at BGT. This year, we will be doing something little different and including Grade 5 students in the Jr. High age group for FOCUS VBS 2020.
